

Position: LA/LP Staff Level Job Description

Location: Atlanta, GA

THW Design is seeking a staff level Land Planner / Landscape Architect.

Key responsibilities for anticipated project scopes include:

- site layout plans, grading plans, amenity plans
- landscape and hardscape designs
- site furnishing layout and other outdoor design elements

The successful candidate will collaborate with a design team in the preparation and production of plans, design drawings, renderings (both hand and digital) and construction documents as directed by the project manager in various stages of design to include:

- Master Planning
- Site Design
- Conceptual Design
- Schematic Design
- Design Development
- Construction Documentation
- Construction Administration

Applicants must possess a Bachelor's Degree in Landscape Architecture (minimum) and 5+/- years of relevant work in the design field. A landscape architect with strong hand graphic and design skills, and proficiency in AutoCAD, Land FX, Adobe Photoshop, Microsoft Office Suite and Sketch Up are required. A working knowledge of Revit would also be advantageous.

Applicant should be working toward Landscape Architectural license (if not already licensed).

Other experience and qualifications:

- Strong coordination abilities with architects, civil engineers, MEP engineers, irrigation design team, etc.
- Data collection and assistance with project analysis (Zoning Codes, GIS)
- Understanding of, and experience with data collection methods to conduct site analysis and research
- Effective time management
- Proactive approach to assisting studio leaders to meet project and company goals
- Strong attention to detail and excellent analytical skills
- 'Blank-page' design skills
- Good written and verbal communication
- Hand Graphic Ability a plus
- Effectively managing project deadlines and project budgets

- Positive attitude, team-first approach and willingness to learn

Job Type: Full-time

Company Profile:

Headquartered in Atlanta, THW Design is an sixty-five-person multi-disciplinary firm with Architectural, Interior Design and Land Planning studios. Seamlessly combining these studios, the firm provides award winning projects through consistent, meaningful design. THW is considered among the nation's top senior living and healthcare design firms with a unique approach to projects that foregrounds the resident experience through hospitality and community.

At THW, you'll find a diverse, collegial group of professionals that share a common compassion for those that live and work in the communities we design.

Work Environment: THW's office is a LEED Silver work environment, open floor plan model that promotes social interaction, mentoring, teaming, and collaboration. THW offers a hybrid workday policy that is a balanced minimum 3 days in-office and 2 days working from home. This includes flexible work time periods.

Benefits:

THW offers traditional benefits including, Paid-Time-Off, Paid Holidays, Medical/Dental/Vision Benefits and 401K with matching. We also offer Flexible Spending Accounts, Long-term Disability, life Insurance, and supplemental AFLAC plans.

Our more unique benefits include, Quarterly Fridays Off, Financial Wellness program, Legal Assistance Plans, and Identity Protection plans.

THW also offers a Flex-time work schedule and a hybrid schedule.

THW also offers a Flex-time work schedule and a hybrid schedule.
