

## **INTERIOR DESIGNER**

THW Design has an immediate opening for an Interior Designer with a degree from an accredited professional degree program, and 3 - 7 years of progressively more responsible experience in a professional Architectural / Interior Design practice. Certification is preferred, but not mandatory. The candidate should also have experience in commercial projects, preferably hospitality / multi-family / senior living; ability to work with multiple consultants; coordinate with Architectural design staff; strong design / design documentation skills, with capability in all phases of Interior Design, documentation and construction; articulate and with strong organizational and interpersonal team building skills; working literacy and capability in Revit. The candidate should have good space planning skills; capability in FF&E; experience in design presentations to clients; good communication skills, both internal and with clients; demonstrated ability to work on multiple projects simultaneously; and have the ability to participate in the design process from Project inception through completion. Experience in Hospitality and / or Assisted Living projects preferable.

THW, which for over 58 years has been providing innovative design solutions to its clients' needs, is a 75+ person Architectural / Interior Design / Land Planning firm with offices in the Atlanta, GA and San Antonio, Texas areas.

THW is committed to design excellence and the professional growth of its employees through a collaborative, interdisciplinary design and design documentation process. Our process affords the opportunity for staff to experience hands-on involvement from a project's initial start-up to completion.

THW has an excellent, employee-centered work environment, and offers a competitive salary and benefits package. To learn more about THW, please visit our website at [www.thw.com](http://www.thw.com).
